- b. Scholarship Donation: The donation will be issued toward the end of April. Since the funds are coming from our Endowment Fund, the broker for the fund needs to be contacted by phone to sell stocks and convert to cash (there is not an online option for this). Janna confirmed the transaction is tax free because of our 501(c)(3) exempt status. Michelle is listed as an authorized contact to request the transaction. We need to add Eric as an authorized contact too.
- c. The Scholarship committee has asked to restructure the scholarship offerings. We currently award 15 students \$400 in scholarships. We would like to increase the amount we award while still staying within our \$11,000 total budget. Next year, we propose awarding 12 students \$500.00. The thought behind making the change is to meet rising costs. Janna motion to approve the change, Lanie 2nd, all approve.
