Galena Youth Red Cross Club

This is Emily, the president of the Galena High School Youth Red Cross Club. This is our fourth year being a club at Galena. We currently have over 30 members. This year, we are planning multiple volunteer activities benefiting our community including: making cards for veterans, organizing bleed control buckets, learning CPR, and more.

We are always looking for new members and we encourage all to join! We meet every Wednesday during 7th period in Mr. Makay's room.

We are looking for donations to supply our school with bleed control items. If you are able to donate trauma sheers, gauze, combine pads, tourniquets, or trauma dressings, please reach out to galena.red.cross.club@gmail.com

Motivance Mental Health Club

Motivance is a student-led mental health club at Galena High School dedicated to promoting mental health awareness, positivity, kindness, and a welcoming community. We are also proud to be part of the National Alliance on Mental Illness (NAMI)'s NAMI On Campus program.

In honor of National Suicide Prevention Month in September, Motivance has been focusing on awareness, positivity, and support throughout Galena. **We received a generous donation from Happy Coffee** earlier this month that allowed us to distribute coffee to Galena staff as a small reminder that the work they do does not go unnoticed.

We're currently working on other projects, such as a positivity wall where students can share positive affirmations and notes. We also have visits from The Children's Cabinet, The Solace Tree, and NAMI Northern Nevada to connect students with local mental health resources..

Speech and Debate

Galena will be hosting our first Speech and Debate tournament in many years and we need volunteers. The tournament runs over the course of two days:

- October 16th: 2:30pm – 10pm
- October 17th: 7:30am – 9pm

We are weakest in judging numbers for later rounds on Friday and Saturday, but need judges across all times. You can sign up for judging at [this link](#), and you can indicate multiple time slots throughout the times above.

You do not need to have experience to judge speech and debate tournaments. We will provide training onsite before rounds. Because this is our first tournament, I am hoping to gather a large quantity of judges to make sure the tournament runs smoothly.

Any help would be greatly appreciated. If you are unavailable to judge, or want to help in other ways too, we will be looking for food donations for our snack bar.

GRIZZLY ARTS CLUB

Grizzly Arts is a club for students who love the arts. The club creates items to sell at our large craft fair each year, raising money for the art department. 9th Grade Counseling Updates

End of Quarter Check-In: As we approach the end of first quarter, please take time to review grades with your student. Remember that quarter grades are progress indicators only. Semester grades earned in December are the grades that appear on a student's transcript and count toward GPA.

Academic Support Available: Our team is actively meeting with students and implementing interventions to support those who are struggling academically. If you feel your student would benefit from additional support, please reach out to Mrs. Royce or Ms. Mitchell.

Peer Tutors Needed: We are seeking student volunteers to serve as peer tutors for 9th graders. Tutors will meet with students during 7th period 2-3 times per week to review assignments, check for missing work, and provide basic academic support. Strong Algebra 1 and 9th grade English skills are preferred. Interested students should contact Ms. Mitchell.

Infinite Campus Reminder: Parents and students should regularly monitor grades and attendance in Infinite Campus. If you are unable to access your student's grades, please contact Ms. Mitchell for assistance.

Too Good for Drugs Begins: Freshman Seminar students are beginning the JTNN Too Good for Drugs curriculum. This engaging 10-week program focuses on decision-making, goal setting, communication skills, and making healthy choices. We are excited to offer this valuable learning experience to our freshmen this semester.

10th Grade Counseling Update

1 on 1 Meetings: In October, Ms. Brown will begin meeting one-on-one with sophomores to review graduation plans, set goals, and help students begin thinking about life after high school. Students will also complete a career assessment survey to explore interests and possible pathways.

Mental Health: Sophomores will also participate in suicide awareness presentations through their Social Studies classes. If you have questions please email Ms. Brown.

Looking Ahead: Families may want to explore dual credit opportunities, which allow students to earn both high school and college credit at the same time. Programs such as TMCC Jump Start can provide valuable college experience while potentially reducing future tuition costs. The [Counseling Page](#) on the Galena Website has more information..

Greetings from the Library!

We love heading into fall here in the library. As the holidays approach, we'll have more **lunchtime movies** to offer and lots of other activities for the days when students prefer to get in out of the cold.

Some quick info: if a student would ever like a certain book that we don't have, they can just let me know and I'll purchase it. Also, if as a family, you would ever be interested in reading in a sort of **family book club** (there are different types, happy to discuss!) and need ideas or texts, just give a holler.

As a library reminder, we have both text and audible versions of books. If your student prefers to listen, I'm happy to purchase anything they are interested in.

As a travel reminder, remember our international spring break trips are annual and fantastic! 😊 This year, we are going to **Amsterdam, Brussels, Paris and London (deadline to enroll is December 1st).** **In 2028, we will be going to Thailand** (enroll before spring break for the discount) where we will spend part of the time volunteering in an elephant sanctuary. If you are interested, please reach out. These trips are life changing and so much fun. Both students and parents are welcome.
