A Message From Your Booster President

It's hard to believe it's already November. That went by fast! I want to give everyone a quick update on what the Galena Five Star Boosters have been up to:

- **Booster Projects:** We've awarded the Art Department $500 to purchase locks for their new student art lockers. We've also awarded the Galena FIRST Robotics Competition (FRC) team $700 to help cover costs of their upcoming competition in Las Vegas. We still have more Booster projects that are in the works.

- **The Senior Activities Committee** helped out with Senior Sunrise, sponsored ice cream treats, handed out spooky Halloween bags and are planning an event for December.

- **The Staff Appreciation Committee** spoiled staff with our Back to School Breakfast, a Grizz Snack Attack, and recently hosted our annual staff appreciation Halloween themed luncheon - "Which Brew is for you." The committee will soon be getting started on a holiday themed event for December.

- **We have a few spaces left for business sponsorships.** Sponsor a professionally produced 4′ × 6′ banner outside the sports complex for $400. Email us for details.

- Be sure to check out our upcoming fundraiser with the **Tahoe Knight Monsters Hockey Team on Page 2.**

- We've made over $14,000 with the sale of the Extracurricular Pass. That money goes right back to Galena with 70% to athletics and 30% to fine arts. The fall season may be wrapping up, but we still have winter and spring athletics that charge admission. The Extracurricular Pass gets 2 people into all regular season home games. It's an add-on to our Booster Membership. Click the link to access the membership form. **2026-2027 Membership Form**

Galena 5-STAR Boosters is actively looking for individuals who might want to fill board positions for 2027-2028. We have a number of dedicated volunteers who will be moving on when their student graduates after this school year. Email us for more information at **Admin@ghs5starboosters.org**

We invite you to Join our **Galena High School Parents Facebook Page** and **Instagram page** for school announcements and happenings, and our **Class of 2027 Parents Page.** Thank you again for your continued support.

Warmly,
Michelle Simmons | President 5-Star Boosters

Meetings are scheduled for the 3rd Wednesday of each month in the GHS Library.

November 18th @ 5:30pm
December 16th @ 5:30pm
January 20th @ 5:30pm

All Boosters members are welcome to attend.

A MESSAGE FROM PRINCIPAL JAY SALTER

October was a busy month at Galena. Besides the numerous amazing athletic competitions, we want to send **congratulations to our Speech and Debate Team** who hosted a competition here at the school on October 16th and 17th! It's the first tournament in seven years, so we really appreciate all the work from our students, advisors, and custodial staff who made it happen.

Also, **congratulations to the Galena High School Marching Band!** They competed in the Performance of Champions competition over fall break and sweeping the 3A division taking 1st place Band along with awards for best Overall Color Guard, Best Percussion, Best Music and Best Visuals!

Finally, our **JROTC Raider Competition team won the State title, and are heading to Fort Know Kentucky** for the National Championships! Finally, Galena Outdoors is going up to Mt. Rose and the Tahoe Meadows with the UNR Outdoor Leadership students for a variety of learning experiences in the field.

November will be equally busy, with Galena serving as a voting site on November 3rd, so there will be no-school that day. The Galena JROTC program will also be facilitating a "Veteran's Day Assembly" for members of our community who are veterans. If you are interested in participating, please contact Maj. Bradley Damschen- **Bradley.damschen@washoeschools.net**

Student Club News

Galena Interact Club

Galena Interact Club brings students together to give back to our community through local and international volunteering, fundraising, and service projects.

Our service projects have included: Wylie Animal Rescue, visiting veterans at a local nursing home, helping with Camp Grizz, and participating in Crutches for Africa. We have also raised approximately $2,000 through our fundraising efforts starting from our founding year.

We are currently working toward traveling to Hungary for an international service project, where we hope to expand our impact beyond our local community. We are always looking for new members and ideas for future projects. Join us to get involved, earn service hours, and make a difference in our community!

Follow us on Instagram **@galena_interact_club** for updates, upcoming projects, and ways to get involved!

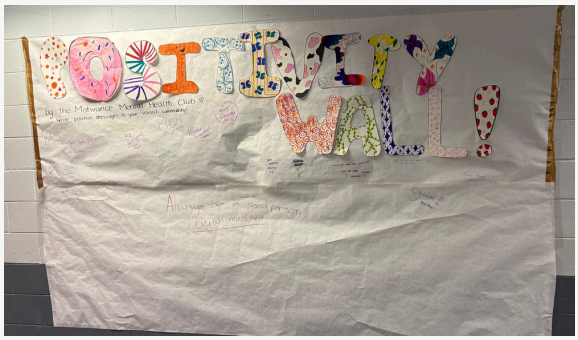

Motivance Mental Health Club

October is National Depression and Mental Health Screening Month. To recognize this, the Motivance Mental Health Club created a **Positivity Wall** to encourage students to read and leave positive messages for their school community.

Our positivity wall is located in the 200 hallway and has accumulated multiple messages over the last few weeks. We are so happy to have contributed to a little more positivity on campus, and hope to leave the poster up for as long as we can!

One of our current projects is working on uplifting cards and messages for the patients in Renown. We are excited to be able to spread positivity and mental health awareness elsewhere in our community!

We meet on Fridays during 7th period in Ms. Arciniega's room, 506. Please see her if you'd like to join! Follow us at **@galenamotivance** on Instagram or visit our club website, **tinyurl.com/galenamotivance** for updates, resources, and upcoming events.

Greetings from the Library!

As the cold sets in, our library will be filling up more and more. **We show a lot of movies at lunchtime and provide lots of things to do (boardgames, puzzles, giant Chess) that are more community based.** We really strive to be a place where students can comfortably hang out and feel like they belong. As I always say, not every kid is a library kid, but I want our space to be what it needs to be for those kids who need it.

Along these lines, **we are always on the lookout for comfortable furniture.** If you happen to be in the market for new furniture and are not quite sure what to do with the old, please consider giving us a call. Our students love sitting in anything that is not a blue, plastic public-school chair. 🙂

With regard to our penned offerings, please know that we also strive to provide what students want. **When we talk about encouraging teens to read, it's worth remembering that reading doesn't necessarily mean sitting down with a traditional novel.** Graphic novels combine visual literacy with written language; e-books offer convenient access to a wide range of titles; and audiobooks allow students to experience complex stories, rich vocabulary, and sophisticated language through listening.

Different formats offer different ways into a story, and the best format is the one that engages the reader. Research consistently links reading for pleasure with language development and learning, while studies suggest that fiction can offer modest benefits for perspective-taking and understanding others. The goal isn't to dictate how students read, but to help them discover what makes them want to keep reading.

I**f your student would like more offerings in any one of these formats or genres, don't hesitate to let me know.** I'm happy to purchase whatever they need to continue their development. Consuming literature is not just a school assignment; it is a way of developing the skills students need to learn, think, and understand the world. I believe this deeply and anything I can do to promote that here or to help you promote that at home, I am happy to do.

I wish you all a very cozy November. Never hesitate to reach out if you have any questions at all. Never hesitate to reach out if you have any questions.

Best wishes,
Ms. Black

GALENA HIGH SCHOOL / 9TH GRADE COUNSELING

Freshman Year Counts

Your Guide to Starting Strong

NOVEMBER 2026 GRIZZLY GROWL

WHAT HAPPENED IN OCTOBER

During the last week of October, ninth-grade students participated in Freshman Year Counts: Your Guide to Starting Strong during their English classes.

This lesson introduced students to the importance of grades, graduation credits, transcripts, and attendance. Students also explored what happens when a class is failed and where to find academic support.

To help them finish their first semester strong, students reviewed a sample transcript, discussed attendance expectations, and developed a short personal action plan.

WHAT STUDENTS LEARNED

01 **Grades & Credits**
How course grades contribute to earning credits toward graduation.

02 **Understanding Transcripts**
What an academic transcript shows and why it matters.

03 **If a Class Is Failed**
How failing a course affects credit and what students can do to get back on track.

04 **Attendance Matters**
Why regular attendance supports academic success.

05 **Personal Action Plan**
Setting achievable goals to finish the semester strong.

Medical Notes Make a Difference

If your student misses school due to illness or a medical appointment, please submit documentation from their healthcare provider whenever possible.

Medical notes help ensure absences are coded appropriately and attendance records remain accurate.

Thank you for helping us maintain accurate records for our ninth graders.

Dual Credit: What Freshmen Should Know

Dual-credit courses allow eligible students to earn high school and college credit at the same time.

These courses can provide a head start on college, but grades also become part of a permanent college academic record. Credit transfer and eligibility depend on the program and college.

Freshman year is a great time to build strong study habits and talk with your counselor about future opportunities.

Parent Tip

Have a conversation, not a grade check.

Instead of asking, "How are your grades?" ask your student to open Infinite Campus and show you one class they feel good about and one class they want to improve.

GALENA HIGH SCHOOL / 10TH GRADE COUNSELING

The Sophomore Blueprint

Your Guide to Planning What's Next

Building Your Path Forward

In October, Ms. Brown met with sophomores to review graduation plans, set academic goals, and help students begin thinking about life after high school. Students also completed a career assessment survey to explore their interests, identify potential career pathways, and connect their strengths with future opportunities.

SOS: Signs of Suicide

Galena sophomores have been participating in WCSD's SOS (Signs of Suicide) prevention program through their Social Studies classes. The program helps students recognize warning signs of depression and suicide risk, understand the importance of seeking help, and learn how to support themselves or a friend who may be struggling.

The ACT Approach

A
ACKNOWLEDGE
Recognize warning signs and take them seriously.

C
CARE
Show concern, listen, and offer support.

T
TELL
Tell a trusted adult when someone needs help.

The 10th-grade SOS curriculum focuses on education and awareness and does not include depression screenings.

For Parents

These lessons provide an opportunity to discuss mental health and emotional well-being with your student. Encourage open conversations, listen without judgment, and remind your student that trusted adults and school counselors are available to help.

Parent Resource: mindwise.org/parents

Dual Credit Opportunities

Sophomore year is an excellent time to explore dual credit opportunities, which allow eligible students to earn high school and college credit simultaneously. Representatives from the Jump Start Program at TMCC will have parent/student info nights. Learn about the Jump Start Program, including benefits, eligibility requirements, and how to enroll.

TMCC Information Sessions

Parent Conversation Tip

Start a Conversation About the Future

Instead of asking only, "How are your grades?" try asking:

01 What did you discover about yourself through the career assessment?

02 What is one goal you'd like to accomplish before junior year?

Robyn Brown
10th Grade Counselor | Robyn.Brown@WashoeSchools.net

Junior GROWL

As the critical launchpad for the future, 11th grade is all about balancing strong academics with meaningful extracurriculars to turn post-grad ideas into concrete plans.

IMPORTANT DATES

November:

11/3 No School/Election Day
11/10 ROTC Veterans Assembly
11/11 No School/Veterans Day
11/17 ASVAB Test Day
11/18 TMCC Winter + Spring sign-ups open
11/25-11/27 Thanksgiving Break

For the future;

12/11 Work Study is due
2/23 ACT Test Day

November's Focus	Target	Next Step
Grades & GPA	**Colleges** look at junior grades as the last full year of grades	**Stay informed**.Check IC, Communicate with teachers, and attend class.
Dual Credit	These college grades stay on your record	**Check transferability** and keep grades at A or B.
Testing	SAT / ACT: qualify for national merit, scholarships, course placements, etc.	**Try your best on the Spring Test.** Practice tests available (see flyers around school) & study!

NEED TO SEE YOUR COUNSELOR?

My goal is to act as a strategist and advocate for students and families. Here is exactly how I can support 11th graders throughout this year:

- Review transcripts, graduation credits, and college prerequisites
- Support in contacting teachers
- Help with recommendation letters, and brag sheets. Identifying potential teachers/individuals.

Attendance Is Moving in the Right Direction

Dear Galena Families, we are proud to share encouraging news about student attendance. Compared with this time last year, more students are coming to school regularly, and fewer are experiencing significant attendance challenges.

AVERAGE DAILY ATTENDANCE

91.8% LAST YEAR → UP 2.7 PERCENTAGE POINTS → **94.5%** THIS YEAR

FEWER STUDENTS MISSING MANY DAYS OF SCHOOL

DAYS MISSED	LAST YEAR	THIS YEAR
21 or more days	257	**19**
17–20 days	90	**13**
13–16 days	121	**11**
9–12 days	243	**42**

Student counts in each absence range, compared with this time last year.

More Than Being Present

At the high school level, attendance is about much more than being present in a classroom. Each day at school provides opportunities for students to learn, collaborate, build friendships, participate in activities, connect with trusted adults, and prepare for their future goals. When students attend regularly, they are more likely to stay on track academically, feel connected to their school community, and experience a stronger sense of belonging.

Attendance & Well-Being

We also recognize that attendance and well-being are closely connected. Adolescence can bring challenges, and we want families to know that support is available. Consistent attendance helps students maintain routines, strengthen social connections, access school supports, and remain engaged in the opportunities that contribute to a healthy and successful high school experience.

How Families Can Help

A few small actions can make a big difference:

01 Encourage a consistent sleep schedule and morning routine.
02 Schedule appointments outside school hours when possible.
03 Talk regularly about classes, activities, and goals.
04 Encourage clubs, athletics, fine arts, and events that help students feel connected.
05 Reach out early if challenges arise. We want to partner with you before concerns become barriers to success.

Thank you for being our partners in making Galena a place where every student can succeed.

GALENA HIGH SCHOOL | STUDENT RECOGNITION

Grizz Gold

POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORTS (PBIS)

Galena High School is seeing strong momentum with our Positive Behavioral Interventions and Supports (PBIS) program. Our **Grizz Golds** system rewards students for behaviors aligned with our **GOLD** rubric.

THE GOLD STANDARD

G	O	L	D
Give respect	Own your actions	Lead by example	Demonstrate responsibility

Grizz Golds

Teachers and staff aim to distribute these generously. Once students have collected a few, they can come to the library and "spend" them at the Student Store, where we offer sweet and salty treats as well as small collectibles like mini-Legos, Play-Doh, and more.

Grizz Platinums

Grizz Platinums carry a bit more weight. Each staff member receives just one Platinum to award to a student they feel has been exemplary that quarter. At the end of each quarter, we celebrate these students by hosting a special luncheon in the library, complete with food, drinks, and desserts. We want these students to feel recognized and appreciated for their efforts.
